FINDLAW DAILY OPINION SUMMARIES
U.S. 1ST CIRCUIT COURT OF APPEALS

Criminal Law & Procedure, Evidence

US v. Aviles-Vega, No. 13-2362

Conviction for possession of a firearm by a prohibited person is affirmed where district court properly admitted results of a search based on a firearms sighting provided by an individual unknown to the police who provides no self-identifying information, as this was sufficiently reliable to provide the police with the necessary reasonable suspicion.
